For entry to The Amundi Evian Championship 2021, a health pass with the **QR code 2D-DOC** is mandatory

At the checkpoint on your arrival, you must be able to show proof of one of the following:

A PCR test with a negative result within the past 48 hours

A certificate of full vaccination

A positive PCR test at least 15 days and no more than 6 months old (Covid-19 recovery certificate)

BE IN POSSESSION OF A VALID HEALTH PASS

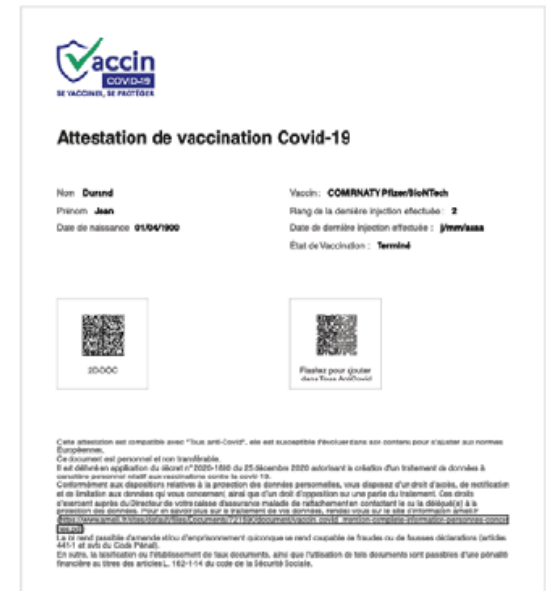

<u>Vaccination</u>	14 days after the second shot of the Pfizer, Moderna and AstraZeneca vaccines 1 month after the first shot of the Johnson & Johnson vaccine 14 days after one shot for persons who have had Covid	Download your up-to-date QR Code on the Ameli website (https://attestation-vaccin.ameli.fr/) and print it out or download it via the TousAntiCovid application
<u>PCR Test</u>	PCR or antigen test within the last 48 hours	The QR Code is sent to you by email or text message and should be printed out or downloaded using the TousAntiCovid application
<u>Recovery certificate</u>	Positive PCR test at least 15 days and no more than 6 months old	The QR Code is sent to you by email or text message and should be printed out or downloaded using the TousAntiCovid application.

QR CODE 2D-DOC

To ensure your means of proof is authentic, you must show a 2D-DOC QR Code, either:

- digitally
- Or in paper form by printing out proof of your vaccination or proof of your test (the QR code must be visible on this document)

PROOF OF VACCINATION

Using the document

Provide in person the vaccination certificate which contains both a 2D-DOC and a QR Code enabling the 2D-DOC to be added to the Tous Anti Covid application by scanning it.

Using the AMELI platform

Retrieval of proof of vaccination via the AMELI platform (<http://attestation-vaccin.ameli.fr/attestation>) using France Connect for identification.

PROOF OF A TEST

Using the document

Providing in person the printed test result from SI-DEP, which contains both a 2D-DOC and a QR code enabling the 2D-DOC to be added to the Tous Anti Covid application by scanning it.

Using a text message

A text message is received with a personalized link to access the SI-DEP platform, you must then enter your date of birth to obtain a password via another text message (valid 5 minutes) which then enables access to a results page to be added to the Tous Anti Covid application or to be downloaded.

Using the SI-DEP platform

Retrieval on the SI-DEP platform (<https://sidep.gouv.fr>) with identification via France Connect. Available for no longer than 3 months.

THE TOUS ANTICOVID APPLICATION

We recommend that you download the #TousAntiCovid application and add your test and/or vaccination certificates to the « my wallet » section
